

Kaiser Digital AG

Vendor / not a prospect

Location:	München, Germany (HQ) + Berlin office
Industry:	Enterprise software and IT consulting
Employees:	420
Annual Revenue:	€67 million
Contact:	Procurement mailbox
Position:	n/a — do not approach individual staff
Current Situation:	Fully digital operating model. Custom internal ERP, in-house RPA team of 14, and a product line that competes directly with workflow automation vendors.
Digitalization:	No external automation or workflow tools will be purchased. IT strategy 2026–2028 is 'build, not buy'. Previous outreach was marked as spam.
Potential Need:	None. Written request: remove from mailing lists. They are a competitor, not a customer.
