

NordLogistik Hamburg GmbH

Account brief · sales opportunity

Location:	Hamburg-Harburg, Germany
Industry:	Freight forwarding and contract logistics
Employees:	210
Annual Revenue:	€41.8 million (FY 2025)
Contact:	Lena Hoffmann
Position:	Head of Operations
Email:	l.hoffmann@nordlogistik-hamburg.example
Phone:	+49 40 555 120-0
Current Situation:	Order intake, dock scheduling and invoice matching are still handled in Excel workbooks emailed between shifts. Warehouse pick lists are printed daily. Three failed attempts to replace the old TMS left parallel systems in place.
Digitalization:	Management approved a digitalization budget of €180,000 for 2026. They want to go live before peak season (October). Explicitly asked vendors for workflow automation, EDI, and exception handling dashboards.
Potential Need:	TMS/WMS integration, invoice automation, and digital dock-to-office workflows. Decision expected Q3 2026. Hoffmann is the economic buyer.
